NOTES

This edition of the Army National Guard Register is an alphabetical listing of all officers and warrant officers, active and inactive, of the National Guard of the United States, as of 1 January 1956.

The information contained herein has been compiled from the data submitted by each individual in his application for Federal recognition, and claims of prior service have been verified from the appropriate office of record in the Armed Forces of the United States and the offices of the Adjutants General of the several States, Hawaii, Alaska, Puerto Rico, and the District of Columbia.

The individual data is presented in two parts. The first part shows certain essentials of biographical data deemed to be useful to authorities responsible for making military assignments. It contains educational attainments in those colleges and universities listed as accredited by the U. S. Office of Education and in all Army and Air Force service schools of more than the briefest duration. Military decorations bestowed by the United States, from the Medal of Honor down to include the Purple Heart (par. 2, AR 600–45) are indicated.

The second part consists of a detailed statement of all service which is creditable for increase in pay for length of service, as provided in AR 35–1110. In this second part, enlisted or commissioned service in a Federally recognized status in the National Guard is shown without being inclosed in parentheses. Service in the ERC, ORC, USNR, etc., is shown in parentheses. Those portions of Federally recognized enlisted or commissioned service which were performed on active duty under call or order of the President are also inclosed in parentheses, preceded by the letter "F". Enlisted service in the RA is inclosed in parentheses, also preceded by the letter "F". In the case of those individuals currently serving on active duty the parentheses are not closed, unless a promotion in the National Guard is received while on active duty, in which case the parentheses is closed and the promotion shown.

The military terms, abbreviations, and symbols used herein are generally in conformity with SR 320–50–1.

Errors and discrepancies should be reported by individual officers through channels to the Chief, National Guard Bureau, Attention ARPM, accompanied by copies of official documents.
